

EXETER FIRE DEPARTMENT

MASTERBOX DISCONNECT REQUEST FORM

All requests for masterbox disconnects should be made weekdays no later than 3 pm the day before the scheduled work/inspection. If the work is scheduled for a weekend, make sure the request is submitted by Friday. We will always disconnect for emergency service/repairs. **THE APPLICANT IS RESPONSIBLE FOR NOTIFYING THE DEPARTMENT WHEN THE BOX IS READY TO BE RESTORED.**

Before any fire alarm, detection or fire suppression system is installed, enlarged or extended, a permit shall be obtained from the Fire Department. Construction documents will be reviewed prior to this permit being issued.

Any questions regarding the fire or sprinkler systems are to be directed to the Fire Department.

Fax this form for each request to (603) 773-6128.
